Annual Title I Meeting

BridgePrep Academy conducts an Annual Title I meeting at the beginning of the school year where we share information about Title I programs and services, rights and benefits under the program with parents, families, and the community.

These meetings are advertised via class dojo, email, the official BridgePrep Academy website, Facebook page and twitter as well as a school flyer.

Flexible Meetings

BridgePrep Academy offers parent meetings on a flexible schedule including before, during and after school conferences. We also offer our curriculum nights during different times and different days of the week during the school year. When holding an activity, childcare can be offered along with interpreters with Title I parental involvement funds. We also utilize our school newsletter, social media and connect ed messages to communicate and address barriers for our school parental involvement activities.
