Dear Parents and Guardians:

Each year we strive to provide the best academic and social experience for our students. It has been our privilege to have had your children at BridgePrep Academy of Orange for this past school year.

In order to better plan and budget for the upcoming 2022-2023 school year, we need to know your intentions for next school year. Please visit our website at <http://www.bridgepreporange.com> and locate the **red** button labeled **Current Student Intent Form** on the left hand side of the homepage. Below is the image of the link on the website as well as the direct link to the form.

Intent Form*

The Current Student Intent Form must be completed and submitted electronically by **Friday February 18, 2022** via webpage link.

If your intent is *not* received by the above date, it will be assumed your child(ren) will not be returning to BridgePrep Academy and as such your child will lose their spot in our school and replaced with an incoming applicant.

If you have any questions or would like further information, please contact our school office and request to speak to Ms. Glen at 321-775-2119.

Respectfully yours,

Joy Gordon Fernandez
